

Brent Isler graduated with a degree in Finance from Bowling Green State University in 2002 and has spent his entire professional career with the CompManagement Partner Companies in Dublin, OH. Brent loves his job and is currently the client services manager for the workers' compensation MCO, CompManagement Health Systems.

Brent lives in Westerville with his wife, Stacie, and their 2 sons and 1 daughter (all under the age of 4). Brent is a huge sports fan and really enjoys working out, golfing, and snow skiing.

Brent is now serving on the Future Possibilities (FP) board after completing his 9th year of being a FP kid-coach. Brent has also served on the boards of All Saints Lutheran Church and All Saints Preschool in Worthington, OH.
